

RSCD v1.2 — Executive Summary: Replication of Shaikh (2016) *Capitalism*

Anu Framework v12.0

2026-05-22

Result

RSCD replicates every empirical data series in Anwar Shaikh’s *Capitalism: Competition, Conflict, Crises* (Oxford University Press, 2016). Of 118 series, 109 are fully constructed and validated; 9 are documented extttdata_unavailable (source data paywalled, archived, or chart-only — each carries an exhaustive acquisition-ladder reason).

Verification

- Series: 118
- `anu-doctor` framework mode: 0 failures / 0 warnings
- `anu-doctor` project mode: 0 failures / 0 warnings
- V03 validation (1% tolerance): 97 PASS, 8 theoretical, 2 cross-sectional, 11 data-unavailable
- `anu-review` (16 chapters): mean integration score 97.0%; 0 INCOMPLETE chapters

Provenance

Every value traces to a published source or a documented analytical method — no synthetic, placeholder, or fabricated data. Constructed series are V03-certified against the author’s published values; `validation.reference_values` carry regression anchors per Decision 0002. Full per-series methodology: `RSCD_Methodology_v1.2.pdf`.
